

Dear pilots, aviation fans and friends,

We have the honor to inform you that the second Red Bull Air Race for the year 2014 will be held on the city of Rovinj, Croatia, at 12th and 13th of April 2014. Red Bull base, and departure / landing airport would be on „Vrsar“ Airport, which will host the full Red Bull organization, logistic and racing team.

With pride we can underline the great support of ADRIS Group, County of Istria, cities of Rovinj and Vrsar in sponsoring the greatest world air show to be held in Republic of Croatia.

We too have to thanks for sponsoring help to Aero club „Vrsar“ in hosting the pilots, mechanics and logistic items of Red Bull, to Maistra – Rovinj, Community of city of Vrsar, Gavrilovic – Petrinja, Crodux – Zagreb, Istria Credit Bank – Umag, as well as a lot of minor other contributors.

As the problem of accommodation for such as many visitors is arising, the Aero club „Vrsar“ had made reservations in some of hotels of Maistra, Rovinj and Vrsar, as well as at hotel Vista, Vrsar, with price of 38 € pro person / night, and apartments and private accommodation with price of 30 € pro person.

For camper and other self accommodation people the Maistra will reopen the camp Portosole in Vrsar.

The city of Vrsar will be connected by boat with Rovinj for both Red Bull Air Race days, with a total price of Vrsar – Rovinj and back of around 15 €

The tickets for watching the air show would be sold at the reception of Hotel Pineta – Vrsar, and via internet.

Reservations could be booked via E-mail: [aeroklubvrsairrace@gmail.com](mailto:aeroklubvrsairrace@gmail.com)

For eventual incoming to airport Vrsar by plane, there will be restricted places for aircraft parking and stay. The arrival and departure procedures will be announced by Notam.

On the base of your reservations, we'll be organized the transport for visitors from Vrsar to Rovinj and back, by boat, with attending the race from the boat.

The times of opening of airport Vrsar for landings and departures during training and race flights would be as follows (local times):

Apr 10<sup>th</sup> 2014 from sunrise till 09.00, and from 18.30 till sunset + 30 minutes.

Apr 11<sup>th</sup> 2014 from sunrise till 08.30, and from 18.30 till sunset + 30 minutes.

Apr 12<sup>th</sup> 2014 from 18.00 till sunset + 30 minutes.

Apr 13<sup>th</sup> 2014 from 18.30 till sunset + 30 minutes.

Apr 14<sup>th</sup> 2014 from 07.00 till 16.00 (for opening the airport out of said times on Apr 14<sup>th</sup> is needed 24 hours prior request, with extra charge)

On above opening times will be secured permanent boundary control.

Please coordinate your arrivals and departures with given times of operating airport.

We recommend the arrival or departure to and from EU countries via Airport Portorož, Slovenia (LJPZ), due to Shengen control and refueling point ( with a remark on FPL as: tech. landing, guest of RBAR, LDPV – Rovinj.)

Vrsar airport opening times for domestic traffic will be the same as above.

Aircraft PIC and owners are kindly requested to bring his own aircraft tie gear, and perform securing the aircraft by themselves.

On the airport “Vrsar” will be open the SKYBAR with terrace, nearby the temporary hangars and parked race aircrafts.

Best regards,

Aeroklub „Vrsar“
